If you require Urgent medical assistance during any other times of closure please contact Dalriada Urgent Care on 028 2566 3500.

Covid Vaccination Campaign

A graphic for a Covid-19 vaccine campaign. It features a grid of blue-tinted images showing various people, including healthcare workers and individuals wearing masks. The text is overlaid on the grid. In the top left corner, there is a logo for the UK Government Northern Ireland. In the top right corner, there is a logo for HSC Health and Social Care. The main text, in large blue letters, reads: "Covid-19 vaccine" (on a yellow background), "The HSC will get in touch when it's your turn to be vaccinated". At the bottom, there is a yellow banner with the text: "Find out about the roll-out at nidirect.gov.uk/coronavirus".

We would like to take this opportunity to thank everyone who has left gifts and passed on their thanks and good wishes to the whole team and also thank you for your continued support and understanding. We assure you that we are and will continue to provide the best possible service we can under the ongoing difficult circumstances.

*We wish you all a very Merry Christmas and a happy health New Year.
